MESSAGE FROM THE FINA PRESIDENT

It is my great pleasure to present you the ***FINA Men's Water Polo World League 2013***, which will be played from October 31, 2012 (start of the preliminary round in Europe) until June 16, 2013 (end of the Super Final).

The 2013 edition of the World League is highlighted by the participation of 18 national teams from four continents – Australia, Canada, China, Croatia, Brazil, Germany, Greece, Hungary, Italy, Japan, Montenegro, New Zealand, Romania, Russia, Serbia, Spain, Turkey and the United States. Furthermore, preliminary tournaments will be held in the Americas and Asia/Oceania while there will be several rounds of games in Europe, thus demonstrating the universality of this League and the interest of many cities in hosting the games of the competition. The place of the Super Final is to be announced very soon and it is scheduled from June 11-16, 2012.

The coexistence of powerhouses in the sport with emerging nations that are fighting hard to develop the sport in their territory reinforces one of FINA's goals over the last years: to attract a new and larger public and to ensure a wider TV audience for this spectacular discipline (the oldest team sport in the Olympic programme).

I take this opportunity to express my gratitude for the continuous support and enormous professionalism to the Organisers, National Federations, athletes, coaches and officials participating in the 2013 edition of the ***FINA Men's Water Polo World League***. The assistance of the sponsors, media representatives and spectators is also essential in promoting water polo worldwide.

I wish the participating teams all the luck and the best to win.
